

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

5 March 1984

NOTE FOR: DCI

FROM: Herbert E. Meyer
Vice Chairman

My buddy [redacted]

[redacted] has become a regular commentator in The Washington Times and the Copley chain. [redacted] who has written extensively about intelligence matters, has been checking around and has decided that you have done an extraordinary job of rebuilding the US intelligence service. He is planning to devote at least one column to this subject, and would very much like to meet you either on a formal or strictly background basis. [redacted] will be in Washington this coming weekend for a series of events, including dinner at my place on Saturday.

Why not have a cup of coffee with him sometime on Saturday or Sunday?

/s/
Herbert E. Meyer
